

**WORLD CUP NURSERY SCHOOL & KINDERGARTEN**  
**2021 SUMMER PREP CAMP**  
*For Little Campers and Their Parents/Caregivers*  
**(Children must be turning 2 in 2021)**

Our popular Prep Camp is back and we couldn't be more excited to have our littlest campers join us this summer. Things will be a little bit different this year because of Covid-19 protocols, but the fun and excitement will remain the same. Ally Klauber, our Romperree Program Coordinator, along with a staff of experienced World Cup Nursery School teachers, is once again running our unique, fun-filled, Prep Camp program that is guaranteed to encourage and excite your child during those lazy summer months!

We have changed the daily format slightly to support a safe camp experience for you and your child. The first 45 minutes of Prep Camp will take place in our playground and our new "Prep Tent". Each day will include gross motor activities where our campers will enjoy water play and games on our front playground. Splashing and skipping through the sprinklers are some of our favorite Prep Camp activities. We will also enjoy stimulating hands-on activity in our Prep Tent. Creativity will be inspired through the use of various mediums (glue, paint, stickers, crayons, and more) as the campers complete their weekly theme-based art projects. Imagination and socialization will be nurtured during unstructured "free" play as the campers "cook" up a pretend meal, "drive" and "repair" the many toy cars, and "build" the house of their dreams with blocks, legos, and tools. Daily story time will encourage listening skills as well as promote the use of expressive language. Finally, for the last 45 minutes, parents and caregivers can enjoy some free time while the teachers bring the campers inside to the Romperree Indoor Playground where your little Prep Campers can escape the summer heat and bounce on the mini-trampoline, crawl through the tunnels, swing on the rings, swoosh down the slides, and enjoy a snack with their friends. What a wonderful way to prepare your child for our Two-Year-Old program and simply enjoy some summer fun here at World Cup!

# WORLD CUP - SUMMER CAMP 2021

For ages 2 through 6 years

**PEANUT FREE CAMP**

Summers were designed for fun in the sun! It's a wonderful time for children to dream, imagine, explore, discover and enjoy the outdoors. This is our goal EVERYDAY at WORLD CUP SUMMER CAMP.

## WHO HAS THE COOLEST CAMP IN TOWN?

*World Cup, World Cup - That's for sure!*

Come join us this year for some of the best summer fun around. We have lots of plans in place to make sure that each child has the best summer ever. Our seasoned teachers and experienced counselors have planned exciting weekly themes and great activities so that each camper enjoys an exhilarating and imaginative summer. Children get to explore nature, join in projects that inspire creativity, socialize with friends, participate in exciting races and physical activities, splash down in our mini Water Park, jump on air castles and trampolines, learn to cook tasty treats, enjoy arts & crafts and, of course, take some time to relax while listening to interesting stories and music. With a fully equipped indoor gym, large gymnastics complex, two outdoor playgrounds, indoor and outdoor bike tracks and large bright air conditioned rooms, the campers have ample room to be just kids. We offer weekly optional outings for our older campers that include swimming, pottery making and other exciting trips. Can't wait to have you join us this summer!
